Board Order No. 650.

INTERIOR
APR 5 1929
DOMINION LANDS
BRANCH

The Seed Grain & Relief Adjustment Board appointed under Order P.C. 2200 hereby recommends that the liens, seed grain and joint relief, registered against the E.½ 15-13-18-4 for advances made to John Lukacs be settled for the sum of $400.00 and that upon payment of this amount any balances remaining unpaid be written off and the liens discharged.

The Board submits a report of Acting Director, Debt Adjustment Act in support of this recommendation and states:

1. That the land is situated immediately South of the Tilley East Area in an extremely dry district, and that it has very little value.

2. That the Debtor has made a satisfactory settlement with his other creditors.

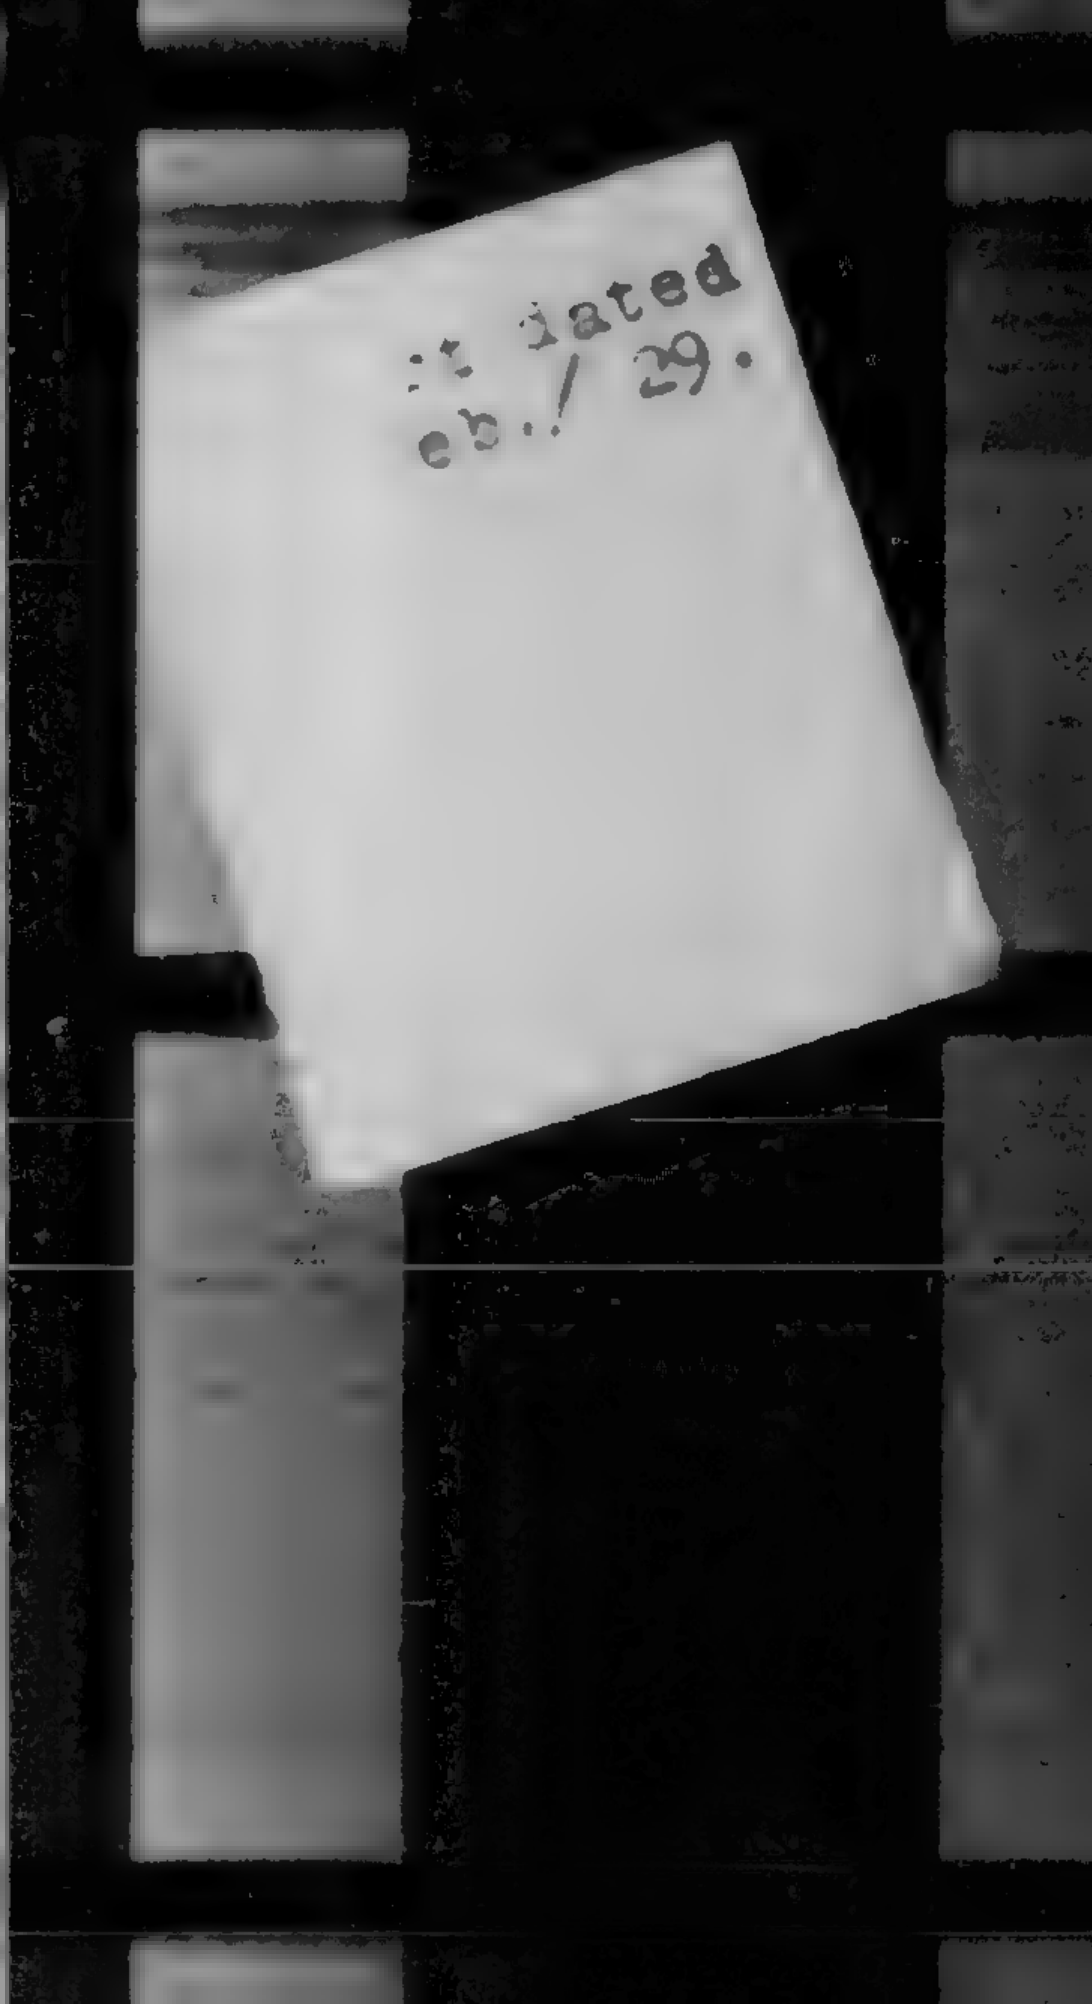

3. That, having in view the conditions prevailing in the District the proposed settlement is fair and reasonable, and should be accepted.

The Board further recommends that the amount so paid be apportioned as follows:

To Seed Grain	$160.00
To Relief	240.00
	$400.00

and that upon payment of one-half the amount apportioned to relief, $120.00, if not already received, the said liens

be discharged and the balance remaining unpaid be written off; also that the debtor be relieved from any further liability in connection therewith.

Dear Sir:

Re: John Lukacs, E½. 15-13-18-W.4th M.
Seed Grain and Relief,

This man who has farmed just south of the Tilley area since 1908 has requested an adjustment of his Seed Grain and Relief indebtedness. He harvested his first fair crop in 1927, and has arranged with his creditors compromised settlements as follows:

The Canadian Bank of Commerce .....$8000.00, for $1000.00
$100.00 cash, $100.00 in 1929, and $200.00 each year till paid.

The Pioneer Lumber Company $ 502.75 for $ 150.00
$75.00 cash, and balance in one year.

W.S. Galbraith, Lethbridge note of $99.00, and several years interest for $50.00 if immediately settled.

His outstanding indebtedness for Seed Grain and Relief is as follows:

Seed Grain advance	$462.00	
Interest to Dec. 12/27...	219.74	
		$681.74
Relief advance	$667.55	
Interest to Dec. 12/27...	328.58	
		$996.13

W.J. Fream, Esq.,
Edmonton, Alberta.
T.L.20.

He requests that the sum of $400.00 he has remitted be accepted as in full settlement of the above account.

The NE¼.16-13-18-W.4 he still farms and is in his name but taxes are four years in arrears. The SE¼.15-13-18-W.4, the District have taken title after seven years arrears of taxes.

Lukacs has had many years of privation, has raised a family of nine children, the youngest one year old, and I consider his endeavor to hold out in anticipation of the district coming back commendable.

This land was formerly in the Municipal District of McLean #96 and is now administrated by the Department of Municipal Affairs.

I have proportionated the payment of $400.00 as follows:

Seed Grain	$160.00	
Relief	240.00	

I would recommend, therefore, that the $400.00 now held by the Department of Municipal Affairs be accepted in full settlement of this account, and that the undermentioned unpaid balance be written off, in as far as it affects both this man's indebtedness to the Municipal District, and also the indebtedness of the Municipal District to the Province of Alberta.

Seed Grain:

Unpaid balance of Principal	$302.00	
" " " Interest	219.74	
		$521.74

Relief:

Unpaid balance of Principal	$427.55	
" " " Interest	328.58	
		$756.13

MEMORANDUM:

Mr. Perrin

Re: John Lukacs
NE¼ 15-13-18-W.4th M.

Under the legislation authorizing the adjustment and apportionment of seed grain, fodder and relief indebtedness, the Adjustment Board of Alberta has submitted a report dated the 23rd February last, accompanied by one from Mr. Loree upon the result of his investigation, both of which are marked hereunder.

The indebtedness in this case consists of advances as follows:-

			FEDERAL
Year		Principal	Amt. due 31.8.28
1920	Seed Grain	$378.00	$594.97
1922	Seed Grain	$240.00	$347.89
		Total.....	$942.86

FIFTY-FIFTY LIENS	
$667.55	$996.13

The Board represents that title to the NE¼ 15-13-18-W.4th M. has been acquired by the Municipal District of McLean after seven years arrears of taxes but the liense is still farming the NE¼ 15-13-18-W.4th M. The recommendation of the Board makes an allocation only in respect of the Fifty-Fifty Liens of $240.00, which covers both quarter-sections. It will be observed that the report does not make any mention of the Federal Liens, the seed grain mentioned being apparently a Provincial advance, as it does not agree either as to principal amount or interest due with the statement furnished the Adjustment Board.

While it may have been the intent of the Board to recommend the writing off of the Federal indebtedness, it would, nevertheless, be desirable that their report cover that feature. I presume, therefore, it will be in order to have the matter referred back to the Adjustment Board to have their recommendation include the Federal indebtedness.

I beg to inform you that the Federal indebtedness o/ N.E.¼ 15-13-18-W.4th was dealt with in a report to the Seed Grain Adjustment Board dated February 27th 1929 and in a Board Order dated May 1st 1929 and numbered 673.

In Board Order #630 the description of the propert affected as E½ 15-13-18-W.4th is an error. It should have be N.E.¼ 10 and S.E.¼ 15-13-18-W.4th.

There is no Federal indebtedness against that pro as the liens were withdrawn in 1918.

I believe this replies to your enquiry of April 27t- 1929 but if you do not find this explanation sufficient I shall be only too pleased to go into greater detail.

Lukacs is desirous of adjustment of his Dominion Liens and I am writing to him to ascertain whether he is in a position to make formal application. I shall be glad therefore if you will send me a statement of his indebtedness.

Hd.Thomas Kenna.
Entry-23rd June, 1909.

Cancellation proceedings instituted on the 14th June, 1912.

Defence filed showing some residence and 33 acres of breaking.

Homestead Inspector's report dated the 17th September last does not give the entrant credit for much residence (driving a livery rig in Lethbridge) Improvements worth $134.00, 30 acres of breaking of no value.

On the 8th November last the Commissioner asked for a statement of this case on receipt of the Homestead Inspector's report.

On the 27th of the same month the entry was protected until the 1st February last.

In the Report of the 8th instant the Inspector states that Mr. Kenna performed no residence up to January 31st last which could be counted. The entrant however has been in residence since that date. Improvements, house $150.00, one mile of fencing under construction, breaking of no value.

The entrant informed the Inspector that he was going to crop 30 acres this Spring and remain in residence on his homestead.

I would suggest that the proceedings be held over until the 1st July next on condition that continuous residence has been performed, and twenty acres cropped.

Mr. Hume.

Application for patent of Mr. T. H. Kenna, for the N.W. ¼ of Section 31-10-1[illegible]-W-4th-M.
Not Recommended.

The Agent submits this application for Special consideration.

Please see form 58 showing the manner in which the residence duties have been performed, according to the application for patent.

The Inspector visited this land on the 20th April last, and stated that Mr. Kenna was not in residence at that time, and he was informed by the neighbors that he was residing at Mr. Chas. Arkinstalls and not sleeping on his own homestead. He states that the improvements consist of a house, 16 X 20 feet, single Shiplap with Ruberoid roofing, one window and one door, and does not appear to be fit for winter use. He also finds from the books of George Kerr & Co., grocers of Lethbridge, that he was driving a delivery wagon for him from April 25th, 1912 to January 31, 1913 and from May 1st to August 31st, 1913, and also that he was employed by Delaynes Ltd, from August 31st 1913 to September 15th, 1913, and from information received his residence is not bona fide.

The Inspector does not say anything about the residence claimed in 1910 and 1911.

Please say what action.

S.W.¼ 31 - 10 - 13 - W. 4th M.
Homestead - Thomas Horace Kenna,
Entry granted - 23rd June, 1909.
Application for patent made.
Not Recommended.

Mr. Kenna applied for patent on the 6th September, 1913, claiming residence and improvements as you will find set out on Form No. 58 directly with this memorandum.

By looking at Form No. 58 it would seem that the duties had been satisfactorily performed, but the trouble was that in the reports on fyle, made by Homestead Inspector from time to time, the residence and cultivation as claimed by Mr. Kenna was disputed.

The latest report of the Inspector, dated 8th of April, 1914, practically discredited Mr. Kenna's claim to residence performed and only gave him credit for cultivation in two years, namely 1911 and 1913, however, gave him credit for 40 acres of breaking.

Mr. Kenna enlisted for active service in August, 1914, and by the time confirmation of his enlistment was obtained from the Militia Department he had put in two years of military service, so residence could then be considered as satisfactory.

With reference to the cultivation, it seems evident that the reports of the Inspector are correct in only crediting him with cultivation in the years 1911 and 1913 as in a statement made by Mr. Kenna himself on the 3rd of February, 1911, in defence of cancellation proceedings, he claimed no cultivation for 1912.

In view of the fact that Mr. Kenna is on active service, kindly say whether after obtaining confirmation of his enlistment from the Militia Department you feel disposed to accept this application for patent or whether we should require another year's cultivation.

Respectfully submitted,

Superintendent of Dominion Lands,
Winnipeg, Man.

I beg to inform you that Mr. T. H. You are, therefore, hereby authorized and requested to remove from the said the N.W.¼ 31-10-13-W. 4th M., the lien in question for $15.00, registered against it in error.

S.S.B. No. 93813,
Case of Sumner T. Kenna.

I have your memo of the 4th. Mr. Kenna writes Mr. C. A. Macrath asking that he be allowed to secure a quarter section within two miles of his homestead which was filed on as a pre-emption by a man named Eldridge.

He describes the land as the S.E.¼ 33-10-13-W. 4th M., but on turning up our file for this land I find that a pre-emption patent was issued in favour of T. G. Eldridge on the 16th ultimo.

Department of the Interior,

Memorandum:

Enclosed herewith please find copy of a communication from the Honourable G.A. Magrath, with respect to Gunner Thos. H. Kenna, who was extended the privilege for sixty days from May 17th, 1919, to select a quarter-section of any vacant Dominion Land in Manitoba, Saskatchewan, Alberta, Peace River Block or British Columbia on the same terms as former pre-emption entries.

Mr. Magrath has taken a considerable interest in this man's case and urgently requests that he be granted a six month's extension of this privilege.

In so far as the Board is concerned no objection will be raised to permitting this man selecting a quarter section within the tract reserved for soldier settlement. The question as raised, of permitting this man to secure entry under the same conditions as former pre-emptions rests entirely with your Department.

Re: Account of Geo. Jarvis
N.W. 31-10-13 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder amounting to $15.00 was advanced to Geo. Jarvis on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$15.00	$29.29	$44.29

Patent was issued in the name of Thomas Horace Kenna for the N.W. 31-10-13 W. 4 on the 29th of November 1916. At the time Geo. Jarvis obtained the 1915 fodder advance he held no equity in the N.W. 31-10-13 W. 4, and after representations by the registered owner authority was issued on the 21st of June 1919, releasing the land as security for the lien. The balance of the indebtedness has since remained as a charge against the lessee under his personal covenant.

The whereabouts of the original debtor is now unknown and it is considered that there is no possibility of collection.

As the lien is no longer registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

W.J. Taylor.

Sir,

The Canadian Western Natural Gas, Light, Heat & Power Company have acquired a number of petroleum and natural gas leases of lands situated in the vicinity of Medicine Hat, which leases, however, do not include any of the surface. The Company has drilled wells upon the lands and has discovered a very large flow of natural gas. Order in Council dated the 4th of April last was made that the Company should be permitted to obtain a lease or purchase, any portion of the lands which may be necessary for the efficient and economical operation of its operations, provided the Company made satisfactory compensation for such lands, and under which rights are occupied, but no patent issued, such lands to revert to the Crown and refunded to the Company as it should be entitled to a patent for the lands occupied.

Reference is made to the letter below from [illegible], Secretary of this Company, enclosing an agreement between Mr. John Blackburn and the Company, whereby Mr. Blackburn agrees to sell to the latter a certain four acres homestead, the South West quarter of Section 1, Township 12, Range 12 West of the 4th Meridian for the sum of $1,000.00, which amount has been forwarded to the Manager of The Canadian Bank of Commerce. I beg to acknowledge the receipt of your letter of the 20th ultimo, enclosing an agreement entered into between Mr. John Blackburn, the homesteader on the South west quarter of Section 1, Township 11, Range 12, West of the 4th Meridian, and your company, by which it is agreed that the sum of $200.00 shall be paid for a tract of four acres of this quarter-section, and the money, which you also enclosed, be deposited with the Government, and paid to the homesteader when patent has been earned. It is stated that the authority for making this arrangement is contained in Order in Council of the 4th of April last.

In reply I am to say that in view of the provisions of the Order in Council referred to, it has been decided that the $200.00 enclosed with your letter might be returned in the Department, and when Mr. Blackburn is entitled to a patent for his homestead, it would appear that the amount might be refunded to him upon receipt of evidence that he has finally transferred his right to the tract in question to your company.

Certain payments have been received to the credit of this account leaving outstanding as on March 31st last a balance due of:-

This half-section is owned by W.G. Galloway an inmate of the Insane Asylum at Ponoka, and in this connection I would direct your attention to the communication immediately hereunder directed to our Mr. Martin by the Administrator of Estates of the Mentally Incompetent at Edmonton on the 3rd instant, from which it is inferred that William Galloway was admitted to the

- Mental -

DEPARTMENT OF THE INTERIOR
CANADA

ACCOUNTS BRANCH

OTTAWA,

Mental hospital on January 14th, 1914, and has been detained in that institution continuously since that date. During the first years of his detention the administration of his estate the W.½ 14-9-11- West 4th Meridian was delegated to the Security Trust Company, Calgary, who in February, 1918, effected a sale of this half-section to W.S. Ramage and Thomas Roberts of Bow Island. Title was transferred to them and the Security Company received a mortgage for the balance of the purchase price. The last payment received from the Mortgagors on account of the purchase price was in 1919, and there is now due and owing under the same a balance of well over $5000.00 in addition to taxes as in December 1926 of $637.49.

The Administrator advises that after considerable negotiations with the Mortgagors he has secured a transfer back to Mr. Galloway by relieving the purchasers from all liability in respect to the taxes. However, upon presenting this transfer for registration it was disclosed that the seed grain advance of $427.00 obtained by W.S. Ramage in 1915 on the security of the W.½ 5-9-10-West 4th Meridian had attached to Mr. Galloway's half-section at the time title had registered in his (Ramage's name).

The Administrator further advises that this half-section could not at present be sold for more than $2000.00, and in view of the large loss which the estate has sustained by reason of the default of the Mortgagors he requests that the Department execute a release of the said seed grain lien insofar as it effects Mr. Galloway's land.

This is a case of after acquired security, and it is certainly evident that no equity exists to William Ramage at the present time with regard to the West-half 14. We are moreover substantially secured for the balance remaining on this indebtedness by registration of the liens against the original security the W.½ 5-9-10-West 4th Meridian.

Is the Department in a position to grant release of the W.½ 14-9-11-West 4th Meridian without awaiting the establishing of the regulations under the recent legislation?

Kindly advise.

Re: William S. Ramage

Dominion and Joint Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 26,1933, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

The Honourable N. C. Manning,

Province of Alberta,

T - R 382

June 20,1953

Mr. J. W. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: William S. Ramage
W½ 5-9-10-W.4th.
Dominion and Joint Relief Advances

The above party obtained the following Dominion and Joint Relief Advances giving as security liens on the title to the above land.

Dominion Advances		
	Relief & Fodder 1915	$26.90
	Relief & Fodder 1915	102.60
	Seed Grain 1911	25.00
	Seed Grain 1915	297.90
		452.00
	Interest to March 31,1953	327.52
		779.52
	Payments	327.84
		451.68
Joint Relief		
	June 8,1922	67.00
	Interest to December 31,1952	143.36
		210.36

The debtor has approached this office through a local real estate agent with a view to clearing the title to the above land as it is his intention to eventually sell same and use the proceeds to buy a house in town.

The land is not of great value being situated in a township which has been declared eligible for awards 8 years out of 17 in which the Prairie Farm Assistance Act has been operative. The land is assessed for one thousand four hundred and ninety dollars ($1,490.00) and I am advised will not be brought under irrigation.

The debtor is 69 years of age and is not in receipt of any pension of any nature. In recent years, since his horses became aged and his machinery worn out, he has been hiring all his work done with the result his income from the farm has not been of any great sum taking a period of years into consideration.

The debtor has tendered the sum of Two hundred and Thirty-four dollars and fifty cents ($234.50) representing the principal balances of the above advances and in view of the circumstances set out it is my opinion the offer should be

Pwd p.2.

accepted and I therefore recommend that the accounts be so adjusted that upon payment of the personal balance in each instance both accounts will be paid in full.

Provincial Seed Grain Advances of Twenty dollars and Seventy-five cents ($20.75) have already been cancelled together with accrued interest.

Yours truly,

Dear Sir:-

Re: John Whitfield - Dominion Liens,
N.W.32-9-10-W.4th Meridian.

This man obtained advances of Seed Grain, Fodder and Relief from the Dominion Government as follow:-

1915	$515.65	
1930	75.00	
1931	55.00	
		$645.65

He obtained the 1915 advances on the security of the W.½-32-9-10-W.4th. He obtained the 1930 and 1931 advances on the security of the S.W.32-9-10-W.4th only.

By Board Order #2035 you recommended that all liens be discharged from the S.W.32-9-10-W.4th, which was the debtor's pre-emption, his entry to which had been cancelled. The new entrant paid the sum of $350.00 as consideration for the discharge of the liens and you accepted the payment as tendered. The indebtedness appeared as at March 31st, 1930, in the sum of $514.28 from which sum there will be required to be subtracted the payment of $350.00 when determining the present amount of the indebtedness.

RE: N.W.32-9-10-W.4th Meridian.

The Dominion Liens were registered on title to this land subsequent to the registration of a mortgage held by Credit Foncier, F.C. The Mortgagees have foreclosed on their security and have obtained title free of all encumbrance, other than the Dominion lien. The Credit Foncier have petitioned that the Dominion Liens be removed because of the fact of their having sustained a loss under their mortgage claim. The Municipal District Secretary appraises the value of the land in the amount of $900.00 and the highest value I have been able to obtain is that of $1200.00. The mortgage claim amounts to:-

Principal		
Taxes Paid	$875.00	
Foreclosure costs	332.25	
Simple Interest @ 5%	175.00	
	356.75	
		$1839.00

E.J. Frost, Esqr.

There is no doubt but that the mortgage claim exceeds by far the actual value of the land which is not saleable at any price at the present time, and which would at no time command a greater purchase price than $1200.00.

I recommend therefore that the Dominion Liens be discharged from the title to the N.W.33-9-10-W.4th Mer.

The debtor abandoned his land years ago and he moved to the Airdrie District. He died there in a practically destitute condition. He left no estate. It is recommended therefore that the unpaid balance of this indebtedness to the Dominion Government be written off as being uncollectible.

February 24th, 1932.

Re:-N.W.¼-32-9-10-W. 4th Mer.,
John Whitfield,
Dominion Liens.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Dominion Liens charged against the N.W.¼, 32-9-10-W. 4th Mer., for advances made to John Whitfield, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated February 2nd, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That under Board Order No. 2635, it is recommended that the liens charged against the S.W.¼, 32-9-10-W. 4th Mer., the debtor's cancelled pre-emption be discharged from this quarter section only upon payment by the new entrant for said land of the sum of $350.00, and it is understood that this payment has been made and applied on account of the said liens.

2. That it is understood that Board Order No. 2635, has been accepted in so far as the S.W.¼, 32-9-10-W. 4th Mer., is concerned.

3. That it is also reported that the liens form a charge against the N.W.¼, 32-9-10-W. 4th Mer., the debtor's patented homestead.

4. That prior to the advances being made the debtor had mortgaged this quarter section to the Credit Foncier, F. C., that the Mortgagees foreclosed upon their security and became registered owners of said land subject to the Dominion Seed Grain and Fodder liens.

.....

5578518

5. That application has now been made by the Credit Foncier, F. C., for a discharge of the liens against said land without consideration, for the reason that they are sustaining a loss in realizing upon their security.

6. That it has been established to the satisfaction of the Board that the amount payable to the Credit Foncier, F. C., under their first mortgage, having priority to the liens is the sum of $1,539.00.

7. That it has been established to the satisfaction of the Board that the maximum value of the said land is the sum of $1,200.00.

8. That as the Mortgagees will sustain a loss in realizing upon their security it is desirable that the application be granted and the liens discharged from said land.

9. That the debtor abandoned the land several years ago and moved to the Airdrie District.

10. That the debtor died some years ago, leaving no Estate from which collection could be made under the personal covenant of the late debtor.

The Board therefore recommends that all liens charged against the N.W.¼, 32-9-10-W. 4th Mer., for advances made to the late John Whitfield be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.
